Registration Forms

1. The personal data collected (name, email*, company, position, country, and any other unspecified information not related to billing) will be used solely for registration purposes for the Event form and for its management by Leading - Organização De Congressos E Gestão, Lda. after obtaining your prior and express consent.
2. Leading - Organização De Congressos E Gestão, Lda, hereinafter referred to as Leading, with tax identification number 507370678 and headquarters at Rua Diogo Couto, 1B 2799-537 Linda-a-Velha, is responsible for processing the data.
3. The personal data "email" is mandatory to be filled in so that we can send relevant notifications related to the registration status, changes, or other useful general information related to the event. Without this data, we will not be able to fulfill your requests.
4. The remaining data (name, company, position, country, and any other unspecified information not related to billing) allow us to personalize communication and perform analytical analyses of registered participants in order to tailor content and filter notification delivery.
5. The billing-related data (name, entity, address, tax identification number (NIF), telephone, and any other unspecified information) will be used exclusively for accounting and financial procedures related to event registration.
6. The data in question will not be used for any other purpose and will be retained by Leading - Organização De Congressos E Gestão, Lda. for 2 years.
7. You may exercise your rights under the legislation (access, rectification, erasure, restriction, objection, portability) by contacting us in writing at the following email address: leading@leading.pt or the email specified in the registration form, without prejudice to the right to lodge a complaint with the competent supervisory authority.
8. When you submit your personal data to us, they will be protected through security protocols appropriate for internet communications.
9. Leading - Organização De Congressos E Gestão, Lda. will only disclose the identified data to its service provider(s) for the described purpose.
10. When you submit your personal data to us, they are stored on a secure server with restricted access.
11. You may withdraw this consent at any time.
12. We will not use your data for other purposes without your prior and express consent.
13. **This event will be photographed and filmed, by registering you are accepting that the images may be used for promotion within the context of the event.**
