Jorge PEREIRA DE SAMPAIO, PhD in History specialising in the History of Portuguese Ceramics, Senior Technician at Museu e Monumentos de Portugal, E.P.E. at the Monastery of Alcobaça, Academician of the Portuguese Academy of History (Portugal)

BIOGRAPHY

Jorge Pereira de Sampaio (born 1965) holds a PhD in history, specialising in the history of Portuguese ceramics, which he obtained in 2006. Since 2004, he has been a corresponding academic at the Portuguese Academy of History. He is currently working as a senior technician at the Monastery of Alcobaça / Museums and Monuments of Portugal, E.P.E. Jorge is a prolific author with numerous scientific publications in Portugal, Brazil and France, including forty-four books. His book "Virgínia Victorino. Life and Work" won him the prestigious Joaquim Veríssimo Serrão Prize from the Portuguese Academy of History in 2021. Jorge's collection of Portuguese ceramics, dating from the 18th century to the present day, is highly regarded and earned him the Collector's Prize in 2018, awarded by APOM - Associação Portuguesa de Museologia.
